Places

The Health Center

The Health Center is by the Tea Garden. It is a big place. It is cozy and warm. The walls are green and blue and red. Beds are nice and warm. The pictures on the walls are so beautiful.

Nurse Judith gives injections gently. But some people are scared. After the injection every one gets yummy candy but then they come back for more candy. All the nurses are friendly.

It is a great thing to cuddle a soft toy.

Playtime!

Kindergarten, Grade 1 and 2 have a playground in the back of their classroom. The school has a playground by the Health Centre.

Kg, 1 and 2 Playground

There is a new play house. People that were in grade one or two would not remember because it is new. Grade One Kindergarten and Two love playing in it. No adults are allowed on the blue swing,

because some times men ride on it and it breaks. The walls have different animals on them like giraffe, panda, elephant and lots of different insects.

The Elementary playground is bigger than the grade Kg. one and two's playground. Every body likes playing on it.

All about Quad Library

What can we find there?

There are lots of soft toys that we can play with.

There are computers, book sections, funny books, picture books, newspapers, magazines and lots of different kinds of books.

What do we do there?

We can check out books, read books and use computers.

Rules for library

Do not run in the library.

Do not pull books out without a shelf marker.

Do not rip book pages.

KHUD CLIMBING WITH KG, 1 AND 2

On Activity week I went to Dhobi Ghat. There are lots of rocks. I like running uphill. Sometimes I fall but I don't get hurt much or

get lost. I usually see trees, grass and flowers. I am used to Khud climbing.

Khud climbing is very fun. It is good for you. It makes your legs strong. The Chukka is a good place to khud climb.

Learning at Woodstock

Many people like Art. I like Art myself. Art is a very fun thing because we can draw, paint, cut and paste, color and do other fun stuff. Sometimes our drawing and paintings are hung on the bulletin board in the Quad. Even though the tables have paint, it looks like a design on the table. In Art

we learn how to do lots of fun stuff. Our Art teacher is called Mrs. Archer.

A lot of people like PE. I think they like PE because they can exercise and play lots of fun games and sports. Sometimes we race. We have Cross Country and Sports Day. This year we had Cross Country at the Chakkar. On Sports Day we do lots of different stuff like Sack racing, running, long Jump and other fun sports. At the end of Sports Day we get medals!

Computer is very fun because we can do and learn stuff. We can even talk to other people by using the e-mail. We can play lots of fun games. We can even practice our typing. We can type out stories, draw pictures and other fun stuff. The hard part is that we need to remember our password. The one thing we always have to remember is to never tell your password because it is private! Our interesting teacher is called Mr. Vasudeva.

Jokes

Why didn't the skeleton cross the road? Because he didn't have guts.

Why did the chicken cross the road? Because he wanted to get to the other side.

What did one banana say to the other? How are you peeling?

Why is 6 afraid of 7? Because 7 ate 9.

Why do you leave cheese on the keyboard? For the mouse.

What are staircases called in a haunted house? Scarecases!

How does a dog stop a video? He presses the paws button!

Stories!

The Tiny Animal Fairy

One day while Elementary was having assembly a tiny fairy sneaked in through the key hole. It slept in a grade five's pocket, when suddenly it knew it was time for work. It flew out of the pocket and onto Miss Bamber's head and shouted as loud as her tiny voice could "listen to me!" Everyone did not know who it was, not even the teachers knew! Suddenly Cormac said "look what's on Miss Bamber's head, it is a girl with wings!" Every one laughed, but then the girl who was really a fairy said "kazoo bazoo turn you into animals!"

Everyone turned into animals. Han was a parrot, India was a worm, Ella was an eagle. Everyone was an animal! From that day on no Elementary Student or teacher could talk English.

Nature Khud Climbing

One day a girl named Ella was sleeping. But just then her mom came in and said Ella Ella wake up. Ella didn't want to wake up. So she pulled her covers over her head. Just then she remembered that today was her first day of Activity Week. So she ran as fast as she could... thump! thump! bang! bang! brush! brush! Then she ran down the steps. Here is your breakfast Ella said her mom. Thank you said Ella. Then she said mom I have good news. Today is my first day of Activity Week. I know it will be fun. Then Ella said I have to go now!! Ok said Ella's mom. Then she ran out the door. When she got to school she put her bag in her locker. Then Ella went to Dhobi Ghat.....

Christmas

Tea Garden at Christmas

At Christmas we sing Christmas carols in the Tea Garden and Elementary School do plays for 5 days. In a play Cormac remembers being a sheep. Anyone is welcome to see us do plays. They are awesome!

It starts at 8:30 AM. Kg, Grade 1 and 2's play is called the Nursery

Rhyme Nativity. There are loads of chairs at the Tea Garden when we do the plays and singing. Parents from around the school come to watch.

After Elementary School finish all the plays we have **Santa Breakfast**. Grade 5 serve yummy food. There are sausages, cheese rolls and ham .
