

JOB DESCRIPTION **AP/IBDP Physics Teacher**

JOB TITLE: AP/IBDP Physics Teacher

REPORTING TO: Head of Department, Science

COLLABORATES WITH: Members of the Science Department, lab technicians, teaching faculty, dorm parents and advisors

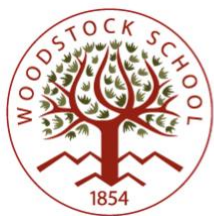

PURPOSE OF JOB:

- Deliver the **AP/IBDP Physics** curricula with consistency and excellence.
- Design immersive learning experiences that incorporate outdoor activities and fieldwork, leveraging Woodstock School's facilities, our Indian cultural context, and the unique Himalayan environment.
- Assess student progress using effective evaluation methods.
- In both pastoral and professional ways, exemplify [Our Calling](#) by teaching in a way which [Elicits Greatness](#) and make decisions that align with our [Guiding Principles](#). To know more, please visit [About Woodstock](#).
- Ensure that every student is adequately prepared for the rigorous learning of the International Baccalaureate while also developing a genuinely personal and profound enjoyment of **Sciences** and the learning environment.

DUTIES AND RESPONSIBILITIES:

Teaching and Curriculum Development:

- Model a lifelong love for learning, generosity of spirit, and integrity.
- Develop, maintain, and continuously update existing unit plans and curriculum-related documents.
- Work collaboratively and positively contribute to departmental tasks such as policies, common assessments, instructional practices, grading practices etc.
- Develop and implement assessment strategies that support student learning and provide meaningful feedback.
- Guide students in their Internal Assessments (IA) and Group 4 project.
- Embrace the department focus on critical thinking and student-centric hands-on, inquiry-based learning approach.
- Ensure that students develop a strong conceptual and contextual understanding while honing their practical problem-solving skills.
- Encourage all students to take responsibility for their own learning and to review progress against targets.
- Take into account the differing ability of students by differentiating work accordingly, utilizing varied teaching strategies and modes, and offering regular out of class opportunities for support.
- Utilize a restorative approach to classroom management.

Supporting student centric learning and development:

- Serve in a pastoral support capacity in your role as advisor and as the point of contact between home, dorms, and school for your advisees.
- Supervise and provide guidance for Personal Project and/or Extended Essay by tracking student progress, reviewing submissions and ongoing reflections.
- Set appropriate tasks and challenges according to the published timetable, and ensure that work is regularly evaluated, and students receive constructive feedback.
- Maintain accurate records of student progress in line with departmental and school policy.

Co- Curricular and School Commitment:

- Supervise study halls and student social activities during evenings and weekends according to the school's fair-share responsibilities.
- Teach approximately 27 periods in a six (6)-day cycle.
- Organize and run at least one extra - curricular [PASSAGE activity](#).
- Chaperone student travel at the end or beginning of each semester.
- Chaperone or lead field trips during [Activity Week](#).
- Accept and support Woodstock School's inclusive [Religious Life Policy](#).
- Participate in annual evaluation and professional growth, taking full advantage of professional development opportunities.

SKILLS AND QUALIFICATIONS REQUIRED

- Bachelors, Masters, or PhD degree in **Physics** from an accredited college or university.
- At least 3 years of full-time teaching experience in the relevant subject areas.
- Valid teaching certification.
- Proven ability to work effectively in a team, preferably involving both national and international staff.
- Technological skills at a level that permits creative and effective use of technology in the classroom.
- Fluency and accuracy in written and spoken English.

PREFERRED SKILLS AND QUALITIES

- International experience in a multi-cultural environment.
 - Experience in outdoor or experiential, place-based education and Wilderness First Aid training.
 - Experience implementing a STEM curriculum or advising students on independent integrated projects.
 - A record of student achievement results in the International Baccalaureate Diploma Program and/or Middle Years Program.
 - A minimum of two years of teaching experience at AP and or IBDP. Preference will be given to candidates who have completed the AP/IB Professional Development Training in a related field/subject.
 - Knowledge of ManageBac or any similar Learning Management System.
 - A record of successful engagement with students in a Distance Learning and Hybrid Learning context.
-
