**Significant accounting policies and notes to the financial statements**

**A. Significant accounting policies**

**1. Organization and nature of operations**

Woodstock School is an international residential school for boys and girls, located in Mussoorie in the state of Uttarakhand. The School was established in 1854 and was the first accredited international school in Asia. Woodstock offers a college-preparatory programme, International Baccalaureate. It is currently accredited by the Middle States Association of Colleges and Schools (USA) and the Commission on International and Trans-Regional Accreditation.

The School is registered under the Societies Registration Act, 1860 and section 12AA of the Income Tax Act, 1961 as a charitable entity and its income is exempt u/s 11 & 12 of Income Tax Act, 1961.

The School has also obtained renewal of its registration u/s 12AB and u/s 80G(5) of the Income Tax Act, 1961, as amended, which is valid up to the assessment year 2026-27. The School is also registered under Foreign Contribution (Regulation) Act, 2010, as amended to receive "Foreign Contribution" and also obtained renewal of its registration which is valid up to 31st March, 2027.

**2. Basis of preparation**

The financial statements of "The Board of Directors of the Woodstock School and Teachers Training College" ("Woodstock School" or the "School") and are prepared under the historical cost convention, on accrual basis of accounting in accordance with the generally accepted accounting principles in India, and the mandatory accounting standards as applicable, issued by the Institute of Chartered Accountants of India.

**3. Funds**

The School reports funds as restricted if they are received with donor stipulations that limit the use of the grants. Designated funds are funds which are set aside by the School's management for specific purposes.

**4. Fixed assets, depreciation, amortization and impairment**

**Tangible assets**

Fixed assets are stated at cost or revalued amount less accumulated depreciation, amortization and impairment losses. Cost comprises the purchase price and any attributable costs of bringing the assets to its working condition for the intended use.

Schedules forming part of the financial statements for the year ended March 31, 2025

**SCHEDULE – 20**

**Lease hold land**

The School is in possession of land assigned in its favour by various churches on lease till perpetuity at NIL value. These parcels of land are not part of "LAND" being reported in the financial statements of the school. Quantitative records of land have been maintained by the school management for exercising physical control over them by the management of the School.

**Intangible assets**

Computer software which is not an integral part of the related hardware is classified as an intangible asset.

**Depreciation and amortization**

Depreciation and amortization on fixed assets is provided from the day on which the asset is put to use / capitalized. Depreciation and amortization on fixed assets is provided on written down value method at the following rates:

Buildings and improvements	10%
Furniture and fixtures	15%
Plant and machinery	25%
Equipments	20%
Appliances	20%
Computers	60%
Vehicles	20%
Intangible assets - Software	25%

**Impairment**

The School assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the School estimates the recoverable amount of the asset. If such recoverable amount of the asset is lesser than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the statement of income and expenditure. If at the balance sheet date, there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed, and the asset is reflected at the recoverable amount, subject to a maximum of depreciated historical cost.

**5. Capital work in progress**

Capital work in progress represents amounts paid/ costs incurred to acquire/ construct the tangible fixed assets and bringing them to its working condition that are not ready for the intended use at the balance sheet date.

**6. Funds**

The School reports funds as restricted if they are received with donor stipulations that limit the use of the grants. Designated funds are funds set aside by the School Management for specific purposes

or funds which are received from donors as general funds without any stipulations as to the usage of the same.

**7. Investments**

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long-term investments. Current investments are carried at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in the value of investments is made at the year end to recognize a decline, other than temporary, in the value of such investments.

**8. Revenue recognition**

**Donations**

Income from donations is recognized on receipt basis.

**Income from Investments**

Interest income from investment is recognized on a time proportion basis taking into account amount outstanding and the rate of interest applicable. Surplus/deficit on redemption of investments is computed with reference to their actual cost and charged to statement of income & expenditure.

**B. Notes to the financial statements**

**1. Fund accounting**

In order to ensure observance of the limitations and restrictions placed on the use of resources available to the School, all resources are classified for accounting and reporting purposes into funds that are maintained in accordance with the activities or objectives specified by the respective donors, grant giving/funding agencies, governmental corporations and/or other sources or as applicable regulations. These funds primarily comprise:

**Designated funds**

Designated funds are treated as income in the year of receipt. However, these funds set aside/ utilized by the School's management for specific purposes in line with the objectives of the School.

**Restricted funds**

The School reports funds as restricted if they are received with donor stipulations that limit the use of the grants. These funds are initially earmarked as restricted funds in the balance sheet and transferred to the statement of income and expenditure as income at the time of its utilization for the intended purpose(s).
